21 June 1957

Dear Bill:

FOIAb3b

Reference is made to conversation between yourself and [REDACTED] June 20, 1957 regarding acceptance of a "B" configuration prior to completion. This is to confirm that conversation in which you were requested to take acceptance of the unit and return it to the contractor as GFP for completion of fabrication and testing.

Sincerely,

[REDACTED]

FOIAb3b
